# *THE RETURN OF THE SKUAS*

Hall of the Kirchengemeinde St. Cäcilia,  
Kastellstraße 21, Bonn-Oberkassel

*It has been a long time  
since the last ball  
in a town not so far away. . .*

*But this is a period of great enjoyment  
of Scottish Country Dancing.  
Thus the intrepid dancers of Skua Dubh in Bonn  
have decided to venture forth once again  
and host their next ball, inviting each and every dancer  
in the SCD empire to join them.*

*They have spared no efforts  
to compile a programme worthy of being danced  
(and a buffet worthy of being eaten)  
and have asked Anselm and Christine,  
the two splendid musicians who have many times  
played at Bonn balls, to once more delight  
the dancers with their music.  
May the tunes be with you!*

*Invited to the ball you are,  
young(ish) dancer!*
